## **GUARANTEE**

The herd bulls will be semen tested. The cows sold as bred will be pregnancy tested.

## **LIABILITY**

Although every precaution will be taken to protect the safety and comfort of guests, neither the livestock yard, the sellers, the auctioneer, nor their representatives can assume any liability for accidents.

## **TERMS**

All sales cash unless previous arrangements have been made. Settlements are to be made in the office at the conclusion of the sale.

## **HEALTH**

All cattle will be bangs and TB tested, to travel out of Montana.

## **TRANSPORTATION**

Every effort will be made to facilitate delivery at a minimum cost. Loads will be arranged and shared. Cattle may be left at the ranch a reasonable time until picked up or delivered, so come in your car if you would rather.

## **OPEN COWS**

All open cows sold without calves at side may be left at the ranch and they will be bred to sons of Big John or Conqueror.

## **RESERVATIONS**

We will be glad to send a list of local motels, or make arrangements if you prefer. Just call or write.

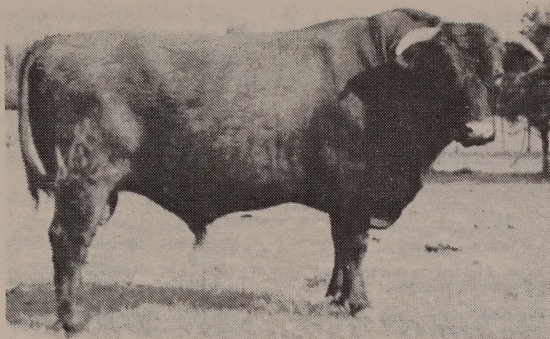

## **FROM THE OWNER**

It is with great reluctance that we sell our cows. Many years of progress have built one of the winningest, most respected herds anywhere. Range raised with no supplement or pampering has produced good, honest cattle with built-in stamina. My real estate business and the labor problem make selling necessary. Our main joy will be seeing these cows go on and do well in the herds of the buyers.

As we have been running the cows for the Pankes, they too will be selling their select cow herd. They purchased 34 cows a few years back and culled down to the present number. As a result, they are high quality cows. The fact that the first bull that Ron and Mary sold was the high selling bull at the Missoula sale this year.

## **RECENT ACCOMPLISHMENTS**

In 1975, we had the champion bull, reserve champion female at the Montana Winter Fair. We had the third top bull at the state sale. Also the reserve champion bull at the Missoula sale, and second top price.

### BITTER ROOT BIG JOHN

One of the biggest Shorthorn bulls around. Weaned at nearly 600 pounds, weighed almost 1000 pounds at a year, and was 1830 at the Winter fair when he was 26 months. Here is a bull that is correct, perfect feet and legs, big, and with a great disposition. We feel he is the top Shorthorn bull to be found. If a large eastern outfit had this bull, \$10,000 wouldn't touch him. His calves are all alike and have his traits. You can't go wrong with a son.

We bought this bull at the Moise test station last spring to breed our heifers. His calves are good, and come easy. Polled and lots of quality. Remember that his sire, Kenmar Max 21Y has sired the champion and reserve champion bulls at the Missoula sale for several years.
